

The Schiller Park Firefighters Association thanks you for
your support.

Thermal Imager Fund Raiser

Proceeds will be used to purchase a Thermal Imaging Camera.

Thermal Imaging Cameras use the advanced technology of Desert Storm to help firefighter "see" through smoke. A Thermal Imaging Camera will help give the Schiller Park Firefighters a decisive edge.

Questions can be answered through the Fire Department at 847-678-5136.

The Schiller Park Firefighters Association would like to thank the following donors who have graciously donated a total of \$2,890 to date.
